THEODORE BREWSTER TAYLOR
[REDACTED]

b7D
b7E

On February 13, 1974, Dr. Theodore B. Taylor, President, International Research and Technology Corporation, 1501 Wilson Boulevard, Arlington, Virginia, was interviewed by a Special Agent of the FBI at which time he furnished the following information:

In 1966, Taylor accepted a position as a Consultant to the United States Atomic Energy Commission. This position required Dr. Taylor to be stationed in Vienna, Austria, where he worked closely with officials of the International Atomic Energy Agency (IAEA), which is headquartered in Vienna. Dr. Taylor's main interest was in studying the work of the IAEA in the field of nuclear safeguards and IAEA inspections conducted under the Non-proliferation Treaty.

During his tour of duty in Vienna, Dr. Taylor [REDACTED]
